Healing Field Flag Display in Waterloo**

We feel it's time that our service men and women in harms way know how we feel and that we support them even if we may not support the war. This would be a great opportunity to show your appreciation to the 133rd Members and their families by providing them with a flag that was flown at the Waterloo September 7-9, 2007 Healing Field.

These heroes may not have the opportunity to experience the amazing healing effect of walking through the thousand flags and seeing thousands of Cedar Valley residents stand in patriotic pride at a Healing Field in Waterloo.

Upon completion of Healing Field the Exchange Club of Waterloo will deliver your flag from the Healing Field to the 133rd Armory in Waterloo for distribution to the 133rd family that you have selected. If you do not have a specific soldier in mind for the flag that you have purchased it would taken by the Exchange Club of Waterloo to the Armory and distributed by the 133rd starting from the lowest rank to the highest at the unit.

Every member of the 133rd in Iowa should receive a flag. Make sure you're represented.
