Awards - Well, the nominations are in, evaluations completed and the honorees selected. Co-chairs Pat Cole and Wanda Martin served with Bob Mundell and Rocky Buege on the Awards Committee.

Tammy Schlitter

the Membership Committee and she personally brought in a new member. Tammy participated in the Heartland District Convention last summer. DeLon summed it up pretty well by observing that "Tammy is one of those people that always jumps right in she's asked to help out." Good choice.

Rookie of the Year - President Gobeli introduced the Rookie of the Year. He received the nominations and selected Tammy Schlitter for this honor. DeLon discussed Tammy's many contributions since joining the Club in October, 2005. *"Tammy worked at the Home Show and the Sport Show in 2006 and 2007. She worked extra shifts in the 2007 Sports Show. Tammy has served on the Aims Committee since joining the Club. She served on the Family Picnic Committee and was responsible for purchasing much of the supplies needed for the picnic. Tammy also busily serves on*

Dave Lipinski

"put on high quality races that provide donations to deserving groups and charities." Dave is also giving his time and that of his business to help organize a new event for youth being planned for this summer in Waterloo. Aaron summed it up this way: "Dave Lipinski exemplifies leadership, compassion and care. Whether he's buying books for the school, spending time listening to a friend, or coaching a marathon he looks for the best for the most." Another great choice. We'll hear about the second honoree shortly.

Book of Golden Deeds - Then Wanda introduced the first of two Book of Golden Deed award honorees. The plaque says David Trekman, but that's David Lipinski's business name - Trekman Racing. Wanda had a... *well let's not go there.*

Dave is the counselor at Hudson Schools for at risk kids and is charge of Saturday and Summer School. Dave's friend Aaron Buzza says: *"One does not have to talk with him long before it is evident he is driven by a passion to help all students have the opportunity and the tools to succeed in life."* Sounds like an Exchangite.

Through his business, Dave's goal is to

Exchangite of the Year - Uhmhhh... Pat Cole, apparently having drawn the short straw, had the dubious task of announcing the Exchangite of the Year, your editor. Pat described my work on both of the Healing Field projects, the Club Scrap Book/Photo Album, EXPO School PIE Committee, the Sport Show and Home Show projects and the

Charlie Lott

Roster book Committee. Pat also described how my work as the Club Photographer takes me around to most of the club events.

Well, I speak for the rest of the honorees when I say that, while we work at what we do because it gives us a lot of satisfaction and it's fun, it's still nice to

be recognized. We appreciate the awards and the recognition you've given us very much. And, thanks so much to the Awards Committee and the folks who participated in the project by taking the time to submit the nominations.

Election results - It's official now. The Nominating Committee, consisting of Nancy Showers, Larry Bjortomt and Don Faris found a very capable group of folks willing to serve as officers during the club year that begins July 1ST and brought the candidates before the Club for a vote. The result was a unanimous vote for the proposed slate.

Diane Neebel and *Don McGriff* were previously elected to move into the offices of President and President-elect. President DeLon Gobeli moves to Past-President.

Vice President: *Sharon Droste*

Secretary: *Wanda Martin*

Treasurer: *Monica Haag*

One-year Board Members completing their second-year term: *Sandy Goldsberry* and *David Wyant*.

Filling the one remaining year of the Two-year term of Board Member Monica Haag: *Sue Wilson*.

Elected as Two Year Board Members:

Roger Shook

Lori Falk

Dave Beaty.

Prevention of Child Abuse Month - The flyer describing the calendar of events is shown on page #3. Let's all reflect on the fact that *every five hours a child or teen will commit suicide somewhere in America - today, tomorrow and every day until we fix it*. How can we not be moved by all these grim statistics to get involved in giving these young people some much needed hope and peace.

Tee Off Against Child Abuse Golf Tournament - We still need team sponsors. Check out page 4.

Guests - We were joined today by Tamera Lipinski, Dave's wife and Crystal Buzza, Aaron's wife.

We're looking forward to having Dave come back and make the presentation he thought he was going to do today, instead of getting the Book of Golden Deeds Award. What a nasty trick, Tamera and Crystal. Were you in on this too Aaron? Thought so.

Volunteer Appreciation Dinner - As we said earlier it's going to be *April 24th at the Isaac Walton building in Washburn - Social hour starts at 5:30*.

Meeting Location Change - Again next week the Elks Club will be closed and we'll have to meet across Mulberry Street at the Masonic Temple.

PIE Galore and Data Display Fair - Roger Shook invited us all for a slice of pie. No, it's PIE - Partners in Education and Data Display Fair at the *Waterloo Center for the Arts on Thursday, April 26TH from 4-6*. Roger and the rest of the EXPO Committee would love to show you the work that's being done at EXPO High School by our Club and the other EXPO Partners in Education.
