**Special program** - Today was a little unusual. Rather than our typical program, President Neebel took care of a few administrative items we needed to do. Diane handed out the committee assignments for the new club year.

Sharon Droste handed out the new roster book inserts. Additional binders for our new members are coming right up. Sharon has the membership information set up in a database now, so future updates will be a lot less labor intensive and more timely. Great job Sharon and Sandy Kline.

**Family Picnic** - Dick Cole, Family Picnic Co-chair, reported the largest attendance ever at the family picnic. The other Co-chair, Frank Magsamen announced that the new chicken entrée a success. This pronouncement came, following a check with area medical facilities revealed no issues that could be directly linked to the new fare.

On a happy note, long-time apprentice cook, Larry Prohaska, was awarded journeyman status. Mr. Cole explains the rank is subject to successful completion of a probationary period in which Larry will be given certain tasks of increasing complexity and criticality. Mr. Magsamen even speculated that Larry may participate in the vaunted procurement process. The Masters

are clearly increasing in confidence as Larry skillfully demonstrate mastery of the concepts and teachings. Hey! What's the wire coming out the chicken in the foreground? Stay tuned. We'll look into this matter and report back.

**Guests** - Ivan Miller brought his granddaughter, Allie Miller, as his guest today. Allie is a Minnesota All State and Hall of Fame High School hockey player.
