Waterloo Exchange Club

Installation of New Officers – District Exchange President, DeLon Goebeli, presided over the installation of a new slate of officers and board of directors for the club. DeLon read the roles and responsibilities of each position.

Past President McGriff surrenders the gavel to President Droste

The club officers are: Sharon Droste, President; Don McGriff, Immediate Past President; Beth Huffman, President-elect; Glenda Husome, Vice President; Secretary, Wanda Martin and Monica Haag, Treasurer. Directors are: Pat Cole; Ann Rogers; Jackie Wagner; Galen Howsare; John Wood and Steve Harty.

In her first official act, newly installed President Droste presented Don with a very nice plaque recognizing his contribution to the organization this past year, a past president's pin and the very gavel he used this past year to maintain order and appropriate decorum.

Editor's note: Well, we are fortunate to, once again, have a very fine group of talented and capable people who have volunteered to serve in leadership positions for the club. It's a large commitment and we know we speak for all the members when we say a BIG THANK YOU to the new folks coming on, as well as the outgoing group.

Ecology Committee Project—Dick King, chairman of the Ecology Committee, came forward to announce an opportunity to volunteer on an environmental project. See page 3 for details. For additional information or to sign up to participate, click [here](#) to contact Dick King.

Order Chef Salad one week in advance

BIRTHDAYS

Jul 03: Rocky Buege

THOUGHT OF THE WEEK

" Words can never adequately convey the incredible impact of our attitudes toward life. The longer I live the more convinced I become that life is 10% what happens to us and 90% how we respond to it." Charles Swindoll

Cedar River Festival Group Cedar River Cleanup, July 11, 2009, 8:00am - 1:00pm

<http://www.crfgroup.org/events.html#cleanup>

Come one, come all and help do your part to clean up part of the Cedar River!

Volunteers are needed to assist both on land and on the water. Plans are to remove physical debris, sort out recyclable materials and provide refreshments for volunteers. Canoes will be provided for water volunteers, however if you own a canoe or kayak you are welcome to bring your own, provided you have a way to haul it. Personal flotation devices will be available, but please bring your own if you have one. Also, please bring your own gloves, sunscreen, and insect repellent.

When

Check-in will begin at Island Park at 8:00 a.m., safety meeting at 8:45 a.m., and at 9:00 a.m. transportation will be provided to the starting point. All cleanup canoes are to be off the water at Island Park no later than 1:00 p.m. to ensure safety.

What

Water based clean up: We are seeking volunteers to clean up from a canoe or kayak

Land-based cleanup: we are also seeking volunteers to help clean up the trail between Snag Creek and Island Park. This is the Cottage Row neighborhood in Cedar Falls, which suffered major flooding in 2008. Land based crew may also be working in Black Hawk Park.

Sorters: Volunteers can also help with sorting the items brought in from both the water and from the trails. We will be sorting items to recycle as much of the debris as possible, and send as little of what we collect to the landfill. We will need several people to assist with sorting efforts.

Refreshments and support: July often brings hot, humid weather to Iowa. Volunteers willing to assist with refreshments and cold drinks will be greatly appreciated by those assisting with the cleanup.

Donate: Whether it's your time, your dollars or materials, we are able to make use of many forms of support for this event.

Physical items: We can use as part of this effort include: Gloves, Snacks & Refreshments for volunteers, Coolers, ice and Powdered drinks (Gatorade, lemonade, etc.) Safety support is provided by [Prairie Rapids Paddlers](#).
