Julie explained that the funds are going to be used in FCC's parent education programs.

Education spot—President Droste reviewed her plan to dedicate a portion of each closed business meeting to review the work of some of the club's committees. Craig Holdiman gave us an overview of the Aims Committee. Craig explained the group: (1) reviews written requests for funds submitted by various community organizations, (2) verifies that the requests are consistent with our objectives (aims) and (3) passes along a recommended course of action with each request to the Board of Directors for final disposition. The committee has a \$3,500 budget allocation. Don McGriff chairs the committee. Serving with Craig and Don are: Ted Boeger, Rocky Buege, Lloyd Hummel, William Kay, Sandy Kline, Spencer Luvert, Richard Nelson, Tammy Schlitter, Sylvia Schultz and Sue Wilson.

Membership campaign—President Droste gave us an overview of some recent work by the membership committee. The group has developed a new Guest Registration form. The intent is to provide improved follow-up of guests that visit us. Sharon also distributed a Membership Prospects form. Members are asked to return the completed form next week. Folks that turn in the form will get a complimentary dessert...

Membership campaign—President Droste reviewed the results of a survey we completed in June. The survey was a kind of attitude survey that sought to determine the membership's satisfaction with the club. Sharon asks that folks who have strong feelings about some aspect of the club to contact her or any of the board members for discussion of those issues.
